VOLUME 57 — THE TOWNSHIP REGISTER, NILES, CALIFORNIA, FRIDAY, NOVEMBER 9, 1945 — Number 45

WITH THE ARMED FORCES

Ensign JOHN FERRANTE, son of Mr. and Mrs. Alexander Ferrante of Decoto, has written to his parents that he has left the Yellow Sea and is sailing for the U.S.A. on November 15. He has recently been promoted to chief navigator.

—V—

ANTHONY A. AVILLA, aviation machinist's mate, third class, Route 1, Niles, is serving with the "magic carpet" unit of the Naval Air Transport Service's Pacific wing which is engaged in returning RAMP's (recovered Allied military prisoners) back to the States from the Pacific.

The "magic carpet" unit is Air Transportation Squadron 12, which is giving No. 1 priority to the returning prisoners.

Planes of the unit are flying over 20,000 miles of air routes from Oakland, Calif., to Tokyo. The huge, four-engined craft being used by the service have been covering nearly 3,500,000 miles a month on their mission.

—V—

Cpl. C. J. McNIEVE of Newark, who entered the service in May, 1943, received his honorable discharge from Camp Swift, Texas, on October 28. He saw 21 months of overseas service with the Ninth Army, participating in battles in Central Europe, the Rhineland, northern France, and Normandy. He received a battle star for each theatre of war. McNieve was with the Quartermaster Depot Supply Company and later served with the 29th Infantry.

—V—

Lt. VIRGIL "SPEED" YOUNG left for Spokane, Washington, this week following a 45-day leave which he spent with his parents in Niles. He expects to be home again around November 28, and then will report to Texas on December 4.

—V—

THOMAS PARRY of Niles has been promoted from Corporal to Staff Sergeant, according to word received by his mother, Mrs. Cathrine Parry. In Korea now, he hopes to be home after the first of the year.

—V—

Flight Officer MANUEL H. SILVA recently was discharged from the Army Air Corps. He and his wife, Louise, who was discharged from the WAVES on October 12, have arrived at the home of his parents, Mr. and Mrs. M. F. Silva of the Creek Road. The couple will make their home with his parents temporarily.

FARM NEWS
AGRICULTURAL EXTENSION SERVICE

TURKEY FOR EVERYONE

The local office of the Agriculture Extension Service has for free distribution a circular filled with excellent tips about how to buy a good turkey for Thanksgiving and how to dress and roast it.

For example, the circular says to select a bird in which the cartilage at the lower end of the breastbone is flexible when you press it. A rigid tip to the breastbone is a sure sign of age. Select a bird that has a wide body, that is broadbreasted and full-fleshed, and has comparatively short, thick legs.

Many other tips on buying a good turkey are included and many worthwhile suggestions about roasting a bird and preparing it for roasting, such as using a crochet hook to remove the pin feathers.

This circular, "Selecting, Dressing, Drawing, Roasting, and Carving Poultry," was prepared by Hilda Faust, nutritionist, and W. E. Newlon, specialist in poultry of the Agricultural Extension Service, University of California. It is available at the Agriculture Extension Service, basement, Post Office building, Hayward, Cal.

FARMERS ARE BOND-WISE

Farmers are again purchasing bonds in the current Victory Bond Campaign in their own intelligent self-interest.

Farmers realize there will be a lot of new developments in machinery and other goods, and bonds provide a good reserve for purchases of these when they have been tested, proven, and stabilized in price. Some of them are looking as far ahead as 10 years when the bonds will mature . . . when a $750 investment will buy a $1,000 tractor, or a cash outlay of $3,750 in bonds will buy a new $5,000 home.

Many farmers are setting aside government bonds in an educational fund for their children. Others are providing for their own old age security through this means.

Farmers realize when putting their surplus funds into Victory bonds they are not only benefitting

(Continued on page 6)

DECOTO MAN FREED AFTER SHOOTING

Frank Valasco was released last Saturday by the Hayward sheriff's office, where he was held for investigation and attempted assault after the shooting of Robert Cepeda, 34, at 2 p.m. in Decoto last Friday.

Cepeda, who was shot through the right breast, was AWOL from North Carolina and was turned over to military authorities.

The shooting occurred after a drunken brawl at 632 Twelfth Street, Decoto.

HUSKIES PLAY TO DEALOCK 0-0 TIE WITH CAMPBELL

By WAYNE DAVIS

The Washington Huskies battled to a scoreless tie with the Campbell Buccaneers last Friday afternoon at the Campbell gridiron.

This tie resulted in knocking Washington from the ranks of the top teams of the S.C.V.A.L. Washington dropped into fourth place.

Both teams threatened only once. Washington made the fartherest penetration of the game, driving to the Campbell 12-yard line. It was a strictly defensive battle between two lines all afternoon. Washington was favored slightly to win the game but the boys from Campbell were a little more aggressive than most people thought. The game was played about midfield all afternoon with neither team having a slight edge on the other.

Washington, unable to gain anything on the ground, took to the air in the fourth quarter but was unable to strike pay dirt.

Alex Bernard bore the brunt of the Washington attack with Bobby Rose, Norman Dolin, and Leonard Smith completing the spearhead.

Dan Corchero was outstanding in the Washington line, smashing in and stopping the Campbell backfield at every opportunity.

The Huskies play Gilroy on the home field this afternoon.

WARM SPRINGS PARENTS FORM CLUB

Temporary officers of a newly-organized parents and teachers organization were chosen at a meeting held November 2 at the Warm Springs grammar school.

The purpose of this new organization is to bring the parents in closer contact and co-operation with the teachers in handling of school problems and for promoting various projects of benefit to the school children. It is not to be confused with the P.T.A. organization, of which there is no unit in Warm Springs, but will be conducted along similar lines.

On November 26, permanent officers will be elected. In the meantime, the following will take care of any business that transpires: chairman, Mrs. Mae Avilla; secretary, Mrs. Emily Coelho; membership, Mrs. Mabel Santos and Mrs. Elsie Duarte; transportation, Mrs. Marie Brown; hall committee, Mr. John Souza and Mr. John Smith; publicity, Mrs. Eva O'Malia and Mrs. Irma Marks.

The next meeting, November 26, will be held at 8 p.m. in the school auditorium.

STANLEY MEETS WITH DECOTO C. OF C.

The regular meeting of the Decoto Chamber of Commerce was held last Tuesday night, with Supervisor Chester Stanley as the invited guest for the evening.

Mr. Stanley discussed the lighting conditions with the members of the Chamber and agreed to consult other members of the supervisory board to see what can be done about Decoto's bad lighting condition.

DECOTO BAKERY SOLD TO KENNETH GARCIA

Mr. and Mrs. Alexander Ferrante, who owned the Decoto Bakery and Grocery for 21 years, sold it this week to Mr. and Mrs. Kenneth Garcia. The Garcias are experienced in the bakery and grocery business, having owned stores in other localities.

The Ferrantes, who have lived in the township for 24 years, plan to take a long-earned rest.

DECOTO BOY SCOUTS SHARE IN PROCEEDS

Dave Janeiro, Decoto Scoutmaster, announced this week that the Decoto Boy Scout troop has received its share of the proceeds of a dance given by the Progressive Club. The proceeds were divided among Scout troops in Washington and Murray Townships.

MORE PEOPLE IN HOSPITALS AFTER ACCIDENTS HERE

The past week saw several more people sent to the hospitals as the result of accidents in Washington Township.

On November 3, the car in which Mary Leon, Ava Gregory and J. C. Gregory of Niles were riding, careened over to the cement bridge at the entrance of Niles Canyon, after a tire had blown out. The car struck the bridge and the occupants were taken by the Dallas Paul ambulance to San Jose Hospital where they were treated for cuts and bruises.

Young George Rose, who was seriously injured in an accident when he was struck by a car almost two weeks ago, has been moved from Hayward Hospital to San Jose Hospital, where his condition is still critical. Though he regains consciousness at intervals, doctors say they cannot predict the outcome for approximately a month.

On Wednesday night at 11 o'clock two more people were injured when their car failed to make the turn on the Warm Springs-Irvington highway at the Joe Costa dairy. The two, Philip Bucharme, 2779 Frazer Street, Oakland, and Margaret Rahn, 766 13th Street, Oakland, were rushed to Fairmont Hospital. The extent of their injuries is unknown.

DOG UPSETS HOSPITAL STAFF

If you ever doubted the faithfulness of a dog to his master, read this little story of "Tubby," a little Chow dog who almost upset the whole routine of a hospital the other day.

Tubby was riding along with his master, John Salin of 1348 84th Ave., Oakland, on the Centerville Highway, one-half mile past the Alviso school, when the car was suddenly forced over to the side of the road and hit the cement bridge.

Tubby's master was injured, and the Dallas Paul ambulance came to take him to the hospital. Tubby, however, would ride in no other place except on the stretcher at the feet of his master. He became quite indignant when someone attempted to remove him. He put up such a commotion, in fact, that there was nothing ot do but to let him ride there.

At the entrance to the hospital, Tubby was still at his masters feet, keeping watch. Frantic hospital attendants, who were anxious to get the man inside, were at a loss to know how to deal with the faithful dog. Tubby wouldn't budge. No amount of coaxing had its effect on him. He was going right long with his master into the hospital.

Tubby's master, semi-conscious and in pain, finally had to rise up from the stretcher and give Tubby a terse command. "No, Tubby, you can't come in with me."

Tubby understood the beloved voice. He obeyed it, and finally left his master's side, but with an aggrieved and pained air.

Hospital attendants, who were wondering what to do with a dog in a hospital, sighed in relief.

NILES FIREMEN HAVE FUN

"We had a swell time, and a swell dinner." That was the consensus of those who attended the big annual turkey dinner given by the Niles firemen for their wives, and the fire commissioners and their wives.

Over fifty were present to enjoy the Ladies Night. After feasting, the group sang some of the old favorite songs, accompanied by Peggy Crane on the piano.

Special invited guests for the occasion wer eMr. and Mrs. Marsten Dassell. It is Dassell who cooks up a big cioppino dinner for the firemen every year.

IRVINGTON SCHOOL STAGING PAPER DRIVE

The sixth and eighth grades of the Irvington Grammar school are neck and neck in the big paper drive contest that is being staged for all the grades of the school.

The contest will probably end today (Friday) and the winner will be announced. Principal Robertson estimates that from ten to twelve tons of paper have been collected.

Proceeds from the sale of the paper will go into the student body treasury where it will be used for student activities.

To the People of this Community

"For the last time, America, buy extra bonds."

"They finished Their Job. Let's Finish Ours."

These and other catch phraseshave been dinned into your mind at work, at play and at home by a mighty barrage of advertising and promotional devices.

How well you have responded only you can truly answer. The drive totals, national and local published in today's editions, reveal your record. Your future personal well-being is most affected by how many extra Victory Bonds you have purchased.

But is your bond buying job done even if you have gone the limit of your present income and resources? The job of investing new savings wisely is never finished. Thrift is just as vital in peace as in war. Keep buying your government's savings bonds.

THE EDITOR

BERCHEM TALKS TO ROTARY CLUB

"My own experiences in the war are not those that a man would choose, but which under the circumstances had to be," John Berchem told his fellow Rotarians at the weekly Rotary Club luncheon Monday. "However,, I suppose that for the rest of my life I will have them as memories."

Berchem was one of the first two Rotarians to enter service. The other was Vernon Ellsworth.

Recently discharged and now back in business in Niles, the speaker traced his career with the Navy. First he went to Treasure Island and then shipped out on a Dutch merchantman used as a troop ship.

On the U.S.S. Typhoon he sailed throughout the South Pacific and was at Okinawa when the war ended. His ship was one of the first to evacuate civilian prisoners from Philippine prison camps.

With the war's end, servicemen were put aboard his ship to be returned home, although there were inadequate supplies aboard. Sardines and corned beef provided the main diet on the voyage home, and the returned troops nicknamed the ship the "U. S. S. Starvation."

NILES BOY SCOUTS WIN AWARDS

The following Niles Boy Scouts won awards at the District Court of Honor held October 26 at the Centerville Grammar school: tenderfoot, William Dale, Leon Musgrove, Stanley Borba and Clarence Chivers; first class, Donald Hibner; Star, Donald Hibner and Hunter R. Moore; merit badges, Richard Brunelli for life saving, Fred Duffie for scholarship, bird study and life-saving, Donald Hibner for home repairs, cooking, gardening, angling and rabbit raising, Gordon Kibby for life-saving and mechanical drawing, Bill Koski for dog care, Pat Moore for life-saving, Sandy Roeding for life-saving, Larry Thatcher for cooking and swimming.

Richard Brunelli is coming up for his Eagle Scout award in December.

FINAL RITES FOR JOHN FONSECA

Funeral services were held November 6 for John Borges Fonseca, a retired farmer, who died November 3 in the O'Connor Hospital at the age of 73.

A native of the Azores, he was the husband of Annie Davilla Fonseca; the father of Mrs. Mary Lawrence of Hanford, of Mrs. Lillian Ventura of Centerville, of Mrs. Aurora Sylvera of San Jose, and the late Laura Raymond; and the grandfather of Lucille Raymond and Dolores Sylvera.

He had lived in Centerville for the last 37 years, and was a member of the I.D.E.S. of Mission San Jose, and of the U.P.E.C. of Centerville.

Final rites were held at the Chapel of the Palms in Centerville with a requiem high mass at the Holy Ghost Church, and interment at Holy Ghost Cemetery.

MOST SCHOOLS REMAIN OPEN NEXT MONDAY

Most of the township schools will remain in session next Monday, November 12, feeling that as long as the actual holiday comes on the day before, there is no cause for closing the schools. Niles, Alvarado and Warm Springs, however, will lock up for the day. The other schools, including the high school, will remain open.

4,400 PINTS OF BLOOD GIVEN BY TOWNSHIP DONORS

The final report on the Red Cross blood donor service here in Washington Township was given this week by Mrs. W. L. McWhirter, blood donor chairman.

According to Mrs. McWhirter, the blood donor service opened on November 6, 1942, and closed July 13, 1945. In that time 4,400 pints of blood were secured, 79 pints of them being whole blood.

The blood donor center operated for 36 blood donor days, with hours from 9 a.m. to 3 p.m. Thirty-five women of the township worked during those 36 days, for a total of 12,060 hours.

It would be impossible to state how many hours each the women served.

The following township chairmen recruited donors and signed them up in their respective towns: Alvarado, Mrs. A. B. Hill; Alviso district, Elsie Madruga; Centerville, Mrs. J. V. Goold, Mrs. Alice Tuchsen and Mrs. Jack Silva; Irvington, Mrs. Carl Christensen; Decoto, Mrs. Alwin Searles and Mr. Bernie Joseph; Leslie Salt, Miss Mary Azevedo; Mission San Jose, Mrs. Lois Justus; Newark, Julia Harris and James Collins; Warm Springs, Mrs. Rose Brown; P.G. & E. sub-station, Mr. H. Weber; Niles, Mrs. Marsten Dassell; Westvaco, Mr. Sam Scott.

In her report to Mr. Sutton, local chairman of the Red Cross, Mrs. McWhirter wrote, "Mr. Sutton, I have enjoyed working with you in this service and I feel this is one of the worthwhile things I have done during my life."

Serving with Mrs. McWhirter as co-chairman was Mrs. Val Bailey, who also donated many hours of service.

FARM BUREAU PAYS 45% DIVIDEND

Farm Bureau members who participated in the California Farm Bureau Federation's group workmen's compensation insurance plan are now receiving their 1944 patronage payments, based on a 45.5 per cent dividend.

This was disclosed today by H. C. Underwood, executive secretary of the Alameda County Farm Bureau, who said that all previous records for patronage payments had been broken by the high dividend on the 1944 policies.

He added that the anticipated patronage payment on the 1945 compensation insurance policies will be even larger, based on a greater volume of business and fewer losses.

"From a very small beginning three years ago," said Underwood, "the California Farm Bureau Federation group workmen's insurance project has grown each year until now thousands of members are participating in it.

"And each year, proportionately, as the number of participating members have increased and the volume of business has grown, the basis on which patronage payments are made also has increased."

He pointed out the Farm Bureau is stressing more and more the need for farmers to take part in safety campaigns so as to reduce the number of accidents on the farm and in the farm home, and thereby cut down the cost of carrying compensation insurance policies.

"We want to do all we can," said Underwood, "to remove the hazards in farm work, and to outstrip industry, if possible, in eliminating accidents."

SOS SENT OUT TO WOMEN HERE

An S.O.S. has been sent out to township women to come to the aid of some of our wounded veterans who are hospitalized. No woman can ignore this plea. The boys in the hospitals are in urgent need of hospital robes. The women here have been asked to help make those robes. The robes have to be made available IMMEDIATELY.

Come to the Guild Rooms, Third St. entrance, in the Niles Congregational Church, next Wednesday morning, November 14, at ten a.m., and plan to spend the day sewing on these robes that are so desperately needed for our wounded. Materials will be furnished. You will be given instructions. All you have to do is to COME.

Bring your own lunch. The Ladies Guild will serve coffee.

Don't forget the date! Next Wednesday, November 14.

BATTLE ROYAL RAGES IN NILES

Battle royal raged for a time along Main Street in Niles last Sunday afternoon. Involved were two or three Mexicans, several service men, and a few others.

It was one of those affairs about which spectators give varying accounts—and there were lots of spectators. But as nearly as The Register can make out, this is what happened:

Two girls were standing on the curb in front of the bus depot when a Mexican came up and spoke to one in a rather friendly way. She didn't care to talk to him, but he persisted. Then the fight started, when a man nearby objected to the attempted conversation. One of the Mexicans knocked him down.

Some sailors took an active interest in the affair then, and two or three civilians entered in.

The group of fighters moved across the street and drifted down toward Joe's Corner. A ring of spectators followed in the wake of swelling eyes and bleeding noses.

Judge Silva, coming onto Main Street from the post office, saw the fight. And immediately some of the male spectators quickly disappeared. After all, who would want to be deputized under these circumstances?

The judge hurried over to his office and put in a call to the sheriff's office in Hayward, but while he was phoning a patrol car drove up. The judge immediately dispatched deputies to the scene of the fight.

At the sight of the uniforms the warriors dispersed.

There was only one arrest. Robert Dennis of Irvington was taken in on the charge of being drunk in and about a car. Monday morning he paid a fine of $25.

ALVARADO EAGLES HONOR MEMBERS

Fifty-eight Eagles were presented with veteran pins for 20-year membership at the meeting last Monday evening of the Alvarado Aerie, according to President Jack Holland of Centerville.

Eight new members were initiated into the order, with initiatory ceremonies conducted by officers of the Alameda Aerie, who brought with them their orchestra.

Also honored Monday were Manuel Hendricks, a charter member of the Alvarado lodge, and Frank Roderick and Tony Lee, two of the oldest members of the local aerie. President Holland was complimented by District Director Charles Francisco for achieving the local quota of 36 new members. E. A. Quaresma, township attorney, addressed the group on the work and achievements of the Fraternal Order of Eagles.

Preceding the meeting, a chicken dinner was served to 110 members and visitors.

COUNTRY CLUB TO DRESS UP FOR 50th ANNIVERSARY

A small but enthusiastic crowd attended the Tuesday meeting of the Country Club and heard Miss Constance Perkins of the Arts and Skills program of the American Red Cross at Shoemaker tell about the work she and her group are doing at the hospital.

Also, Miss June Saunders of Palo Alto High School and two Palo Alto High School girls demonstrated and told about the influence of their musical group on the boys in the wards at the hospitals in that area.

Mrs. Gladys Williamson, war service chairman, announced that plans are being made to have a birthday cake for each boy in the wards at Shoemaker when his birthday rolls around.

Because of the absence of Mrs. Sutton, due to illness, Mrs. Pond took over the program. Mrs. Lawrence Bunting and Mrs. Dwight Thornburg had charge of the musical part of the program, and Mrs. E. D. Bristow, as chairman of hostesses for the afternoon, arranged beautiful banks of chrysanthemums around the hall. She was assisted by Mesdames Clara May, Walter Robie and Leslie Hiller.

The club made tentative plans for painting and redecorating the club house, in commemoration of their fiftieth anniversary to be celebrated next spring.

A GET-ACQUAINTED DINNER AT HIGH SCHOOL

A get-acquainted dinner for the trustees of Washington Union High School and the teachers will be held in the high school cafeteria next Thursday evening, November 15.

The affair, held annually, gives the new teachers a chance to meet the trustees, and vice-versa.

APPEALS MADE FOR HOMELESS WAIFS BY N.D.G.W.

For the first time in th history of the organization, the Native Daughters and Native Sons of the Golden West are appealing to the general public for assistance in their work for homeless children. Sheets of "Homeless Babies Fund" seals to be sold for $1, or whatever donation people care to make, will be offered for sale locally next Tuesday, November 13, at the Central Bank, Niles, by members of Laura Loma Parlor No. 182, Niles. Mrs. William Cull and Mrs. Ethel Fourneir have been appointed by President Mrs. Joseph Perry to take charge of this sale.

This fine work for homeless children has been carried on for the past 36 years with children from all walks of life—Protestant, Catholic, Jewish—all given considerate attention and medical nursing care until ready for adoption in desirable homes with no restrictions of birth, race, color or creed. Governor Earl Warren, a Native Son, and active in the organization for years, has accepted chairmanship of the general committee and in his appeal states, "There is nothing quite so deserving of sympathy as a homeless child and nothing that brings greater personal satisfaction in accomplishment than to have assisted in the placing of a homeless child in the custody of loving parents."

Laura Loma Parlor joins with all the Parlors throughout the state in asking assistance so that this fine work may continue.

MORE JAPS WILL BE RELOCATED

The Northern California Area of the War Relocation Authority this week prepared to speed up its relocation facilities in keeping with the announcement that WRA's Tule Lake Center will be closed on or before February 1, 1946, it was announced by Charles F. Miller, area supervisor.

"We will carry through to completion a relocation program for all persons at the Tule Lake Center who are eligible to relocate and who desire to return to their homes in this area," said Miller.

"Those eligible to relocate in this area or in any other part of the United States are those whose names do not appear on the detention lists supplied to the War Relocation Authority by t heDepartment of Justice. Persons whose location Authority by the Department of Justice lists are not eligible to relocate and will remain in the custody of that agency pending final decision as to their disposition.

The relocation program carried on for Tule Lake eligibles will be exactly the same program, with the same types of assistance to evacuees, that is in effect at WRA's other centers. It should be remembered that all persons of Japanese ancestry have been screened thoroughly by the Army and the Department of Justice before relocation from any center is permitted," Miller added.

FORMER IRVINGTON RESIDENT PASSES

Friends were grieved to learn that Mrs. T. Koerner of Glenhaven, on Clear Lake, who before her marriage was Miss Elsie Jessen of Irvington, passed away suddenly at Lakeside Hospital. She and her husband had just returned from a hunting trip in Modoc County.

Services were held in Lakport on October 21, with entombment following in Hartley Cemetery in Lakeport. Besides her husband, she leaves three sisters, Mrs. L. Rowe, Santa Cruz; Mrs. C. Hurd, Palo Alto, and Miss Nell Jessen, Irvington.

HISTORIC WEAPONS FOR LOCAL DISPLAY

The Revolutionary and Civil War canon, which for years were displayed in American public parks and museums, and then went to war via the nation-wide scrap drive, can be replaced by the modern World War 11 howitzers, armored cars, tanks or other Ordinance items, now obsolete after completing their job of crushing the Axis armies.

About four thousand weapons valued at more than ten million dollars in original cost have been declared obsolete by the War Department, according to Col. K. B. Harmon, district chief of the San Francisco Ordinance District.

Thinking Things Over . . .

By VIVIAN BATMAN

Personality tests seem to be all the rage now. Rarely can you pick up a magazine but what you see one of them, and start sharpening your pencil. The Register, ever striving to keep up to the minute, prints its own personality test. Answer "yes" or "no" to the following questions. The results will be given below:

1. Do you pinch the loaves of bread when you go into a grocery store?
2. Do you kick your husband in the shins when he is about to tell your true age?
3. Are you annoyed when someone steps on your corns?
4. When people come to your door asking funds for charity, is it easy for you to tell them that your husband has given at work—when he hasn't?
5. If you are a woman, do you look at your reflection in every shop window as you walk by?
6. If you are a man, do you look at every pretty girl with that certain "gleam" in your eye?
7. Do you "peek" behind your curtains when the new people next door are moving in their furniture?
8. Do you become irritable if some child accidentally breaks your window?
9. When the couple in front of you in the show whisper all through the performance, do you have to grip the arm of your seat to keep from batting their heads together?
10. When callers arrive just at dinner time, are you praying they'll say "no" when you urge them to stay on to dinner?

There now, relax! It's all over. How many yes'es did you have? Ten? Ha-ha. Just as I thought. Really, you have no personality at all. You may as well quit living. Commit hari-kari or something. You're a dead duck.

SPEAKING OF DUCKS

Speaking of ducks, Ernie Frick —who ought to know, considering how duck-minded he is—says the best way to cook ducks is to fry them like chicken. Flour them and put them in a frying pan with about an inch of fat. If you don't like it, don't blame us. Tell Ernie about it.

"Do you believe in clubs for women?" asked a friend of W. C. Fields one day.

"Why, yes," replied the inimitable W. C., "if every other persuasion fails." —Bill Field.

DO IT TODAY!

If you like anyone, if you are grateful to anyone for anything, why not warm that person's heart by telling him today? Why wait?

"You who are letting your friend's heartache," said Phillips Brooks, "for a word of appreciation or sympathy which you mean to give him some day. If only you could know and see and feel, all of a sudden, that the time is short, how it would break the spell! How you would go instantly and do the thing which you might never have another chance to do."

Speak that friendly sentence, write that friendly letter, do that kindly deed today. To express emotion, to make people feel better is to enrich oneself.

—Thomas Drier in "Your Personality."

MISSION SAN JOSE NEWS

WITH LOIS JUSTUS

Mrs. Rose Telles and daughter, Rose Marie, are living in Modesto temporarily, working in the fur shop of Mr. Kauhn, brother-in-law of Mrs. Telles.

At home and a very happy civilian is the former Cpl. Joseph Azeveda, eldest son of Mr. and Mrs. J. F. Azeveda of the Niles-Mission Highway. Forty-five months in Uncle Sam's Army is a lot of time and Joe was there that long. He received his training at Fort Lewis, Wash., later was sent to the Aleutians and when he returned to the U. S. following his furlough, he was stationed at McDill Field, Fla. His brother, Eddie Azeveda, C.M. 3/c, is at Joe's old stand in the Aleutians.

Which reminds us of Mr. Heath at the Masonic Home in Decoto, whose motto is "Flowers for the Living." A nice sentiment, that. And one that bears considerable thought.

Miss Alice Pries, who was employed in the Navy Depot at Irvington, has been transferred to Oakland and is still working for the Navy there. She comes home week-ends to be with her family.

Mrs. Sara Boggini and Mrs. Josephine Fernandez spent Monday in Centerville at the home of Mr. and Mrs. Walter Rose and family. Mrs. Katy Whitfield was also there to visit with Grandma Bobbini.

Mrs. Grace Meyer, who is employed at the Graham Manufacturing Co., has been ordered to bed by her doctor, following an attack of pleurisy. She will be away from her work at least a week.

Lois Justus, accompanied by Mr. and Mrs. Thomas C. Santos and granddaughter Diane, motored to Sacramento on Sunday to their home. Mrs. Justus went on to Placerville to visit Mr. and Mrs. Norman J. Kamp and another granddaughter, Vicki Kamp. She returned to the Mission Sunday evening.

Miss Viola Enos of Selma is spending a few days here at the home of Mr. and Mrs. Thomas Semas, her half-brother.

Mrs. Lois Matter and children have moved to Livermore to be nearer Camp Parks, where their daddy is stationed.

James Bramwell, who was stricken on his way back to the Mission to his family from a visit in Oklahoma, is confined at the community hospital in Long Beach. He is some better and can be moved soon to his home here.

Cpl. Arthur Steele, who has been spending his 45-day furlough with his wife, Mildred, and son, "Dougie," at the home or her parents, Mr. and Mrs. Joseph Santos of Ellsworth Street, and also all around the country with relatives and friends, returned to duty on Monday. He went to Camp Beale and will be sent to Camp Cooke, Santa Maria, for stationing. It won't be too many months before he will be a civilian again.

Daniel K. Cross, owner of the machine repair shop here in the Mission, his mother, Mrs. Elsie Wilcox, and children, motored to Redwood City on Sunday to the home of a brother, F. H. Cross, and family. Later in the day the Daniel Cross family went to San Francisco where they attended the miniature auto races.

John and Maude Tallent of Sonora and Mrs. Freida Bathalmew of Groveland spent Monday evening at the home of Mr. and Mrs. Edwin McNemar and family. Later they went to Santa Cruz to the Grange convention.

The Rosarians held their annual communion and breakfast a couple of weeks ago here at the old Mission breakfast room. There was a goodly number of the members present. They did not hold a full day's session again this year but hope by next year that they will be able to have a full day's program planned and get back to their pre-war schedule.

The Mission, the service men, and all passers-by, who have ever visited the "Mission Bell" here in our little old town are going to miss two smiling and congenial faces behind the bar, for Tom and Hortense Cunha, owners for nearly ten years, have at last had to say "Enough," and have sold their business to Harley Ferris of Oakland.

Tom and Hortense, as everyone calls them, are very tired and want more than anything else to build new home here in the Mission and begin really living and enjoying their son, "Cappy," and daughter, Shirley, and be able to visit and mingle with their hundreds of friends everywhere. They will miss the service men coming and going but they must have some fun now just being plain folks.

INTERESTING TALK FOR NILES P.T.A. NEXT THURSDAY

Mrs. W. F. Lamoreux, president of the Niles P.T.A., has announced that, following an executive board meeting, the meeting date has been changed from Tuesday, November 12 to Thursday, November 15.

The change in meeting dates was brought about because of the inability of Miss Florence Little to attend the Tuesday meeting. Miss Little, librarian in charge of juvenile books in the county, had been scured as the main spaker. Her talk last year aroused so much enthusiasm among the mothers and teachers alike, that the unit feels gratified in being able to secure her again for this year.

The meeting will start at 2 o'clock. The eighth grade mothers under the direction of Mrs. Meeker and Mrs. Dale, will have charge of refreshments.

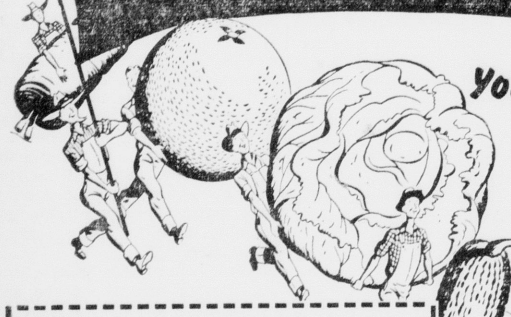
SAFEWAY Fall Produce Parade



You'll find plenty of fresh fruits and vegetables at Safeway

There's nothing like tender, fresh fruits and vegetables to add mouthwatering zest to November meals . . . and there's no place like Safeway to find them delectably fresh! That's why Safeway can *guarantee* the flavor and quality of fruits and vegetables every time you buy. So serve them often now . . . while they're still plentiful.

How to make hearty soups for winter energy

A steaming bowl of hearty soup is a short cut to energy during these days when Jack Frost holds sway. With winter produce as a base you can create an appetizing repertoire of delicious soups to satisfy the most robust appetite. Build your menus about any of the recipes listed below—and don't be surprised when the whole family calls for second helpings.

CARROT AND POTATO CHOWDER
1 small dry onion, finely chopped; 4 tbsps. butter or margarine; 2 cups diced raw potatoes; 2 cups boiling water; 1 tsp. salt; ¼ tsp. paprika; 2 carrots, diced and cooked; 2 cups scalded milk; 1 tbsp. flour

In large saucepan, saute onion in 2 tablespoons butter or margarine until lightly browned; add potatoes, boiling water, salt and paprika. Boil about 15 minutes, or until potatoes are soft. Add carrots, milk, and flour mixed with remaining butter or margarine. Cook 5 minutes, stirring until smooth and thickened. Serves 6.

LENTIL OR BEAN SOUP
2 slices bacon or salt pork, diced; ½ cup sliced onion; ½ cup sliced celery; 1 cup lentils or beans; ¼ tsp. salt; ⅛ tsp. dry mustard; Dash of cayenne; 1 tbsp. shortening; 2 tsps. flour; 1 hard-cooked egg; 1 lemon, sliced; 6 cups cold water

Crisp bacon or salt pork; add onion and celery; saute until lightly browned. Add lentils or beans, which have been washed; add water, cover; simmer 3 hours, or until beans are soft, adding more water as needed. Rub through sieve; reheat; add well mixed seasonings. Melt shortening; stir in flour; add strained soup mixture gradually; cook 3 minutes, stirring constantly, until smooth and thickened. Turn into serving dishes; garnish with thin slices of hard-cooked egg and lemon. Serves 4.

SPAGHETTI VEGETABLE SOUP
2 to 3 lbs. soup-bone; 6 cups cold water; 1 tsp. salt; 1 small onion; 2 cups cooked or canned tomatoes; ¼ head cabbage; 6 carrots; ½ cup sliced celery; 1 cup broken spaghetti; Grated Cheese

Place meat bones and water in large kettle; add salt and sliced onion; simmer slowly 2½ hours, adding more water if needed. Remove bones; cut off any meat and return it to broth. Add tomatoes, coarsely cut cabbage, halved carrots and celery. Simmer 30 minutes. Add spaghetti; bring soup to rolling boil; boil 15 minutes longer. To serve, sprinkle with grated cheese. Serves 4 to 6.

Armistice Day

Like a ghost from the tomb of the past the anniversary of Armistice Day rises to remind us of the great good that might have come to all men if the expectations of that day had been fulfilled.

It was on November 11, 1918, that men hailed the birth of a new era in human relationships, in which the world would be "safe for democracy." Governments were to settle their differences by international arbitration instead of international anarchy; justice for all peoples both great and small was to be achieved through the League of Nations.

But the fervent hopes and expectations that were born that day did not live long. They were suffocated in the atmosphere of intense national selfishness, jealousy and power politics.

In 1918 men professed to think that lasting peace could be attained through holding conferences, making agreements, signing documents. These things were done, but permanent peace did not come.

Why? Because the form for peace was there but not the spirit. Conferences without co-operation, agreements without adherence to them, signatures without sincerity—all these led down the well-rutted, one-way road to a repetition of the holocaust of 1914-18.

Armistice Day of 1945 finds us telling ourselves that "this time" the sacrifices of our boys will not have been in vain. They need not be, but their sacrifices alone cannot insure peace. Permanent peace must grow out of the day to day efforts of men of all nations to deal with each other tolerantly, patiently, understandingly.

If this be done the haunting ghost of Armistice Day will vanish, for the great good which that promised will be achieved.

Doctors of Death

The sands of time are running out. The startling fact that the atomic age is upon us has the unreality of a friend's death coupled with the cold truth of the fact.

We shall not live long, you and I, unless we become wiser citizens. It is very late, but not too late to try. Read these appraisals of the atomic bomb, just published by our nation's foremost scientists; read them and discuss them; analyze your views so, as a citizen of a world in peril, you can contribute to the common safety:

Dr. H. J. Curtis, Professor of Physiology, Columbia University, stated as representative of scientists of the Oak Ridge, Tenn., Atomic Bomb Laboratory: "The only remaining serets (of the bomb not held by other nations) are technical details which any intelligent group of scientsits and engineers could work out in a relaticely short time."

Dr. Irving Langmuir, Associate Director of the Laboratory, General Electric Co., stated: that a nation having well-trained scientists "will not have just enough bombs to destroy our cities, but to destroy every man, woman and child in the U. S., the first button they press."

Dr. Harlow Shapley, Director, Harvard University Observatory: "We should not fool ourselves in thinking that we are making ourselves secure by not publishing some of our results.

Dr. J. Robert Oppenheimer, California Institute of Technology; Director, Los Almos, N. M., Atomic Bomb Laboratory, believes that the forty million Americans living in our twenty principal city areas can be destroyed in a single night with the present atomic weapon."

Dr. Vannevar Bush, Director, Office of Scientific Research and Development: "I see no defense to the atomic bomb in sight."

The FARMERS CORNER

by RALPH H. TAYLOR
Executive Secretary Agricultural Council of California

One of the toughest tests for human character, individually or Nationally, is to stand prosperity. Some 20 years ago, before the magazine Liberty was launched, its publishers offered a prize of $25,000 for a name for the magazine. The man who suggested the name Liberty, and won the prize, was a solid, happy, industrious family man in moderate circumstances.

The winner was envied by thousands of less fortunate contestants. A year or so later, however, some enterprising reporter checked up on the winner. The $25,000 windfall had proven a curse to the man and his family! They had altered their standard of living, and lost sound perspective on values—had spent the prize money unwisely, had lost what they had accumulated before winning it in trying to "live up" to their new level of prosperity. They had set a course of living beyond their means, and couldn't stop. They wound up disillusioned, discontented—and broke.

It might be a very good thing, from present indications, if the Congress and the California Legislature would take the experience of that man and his family to heart. The public treasuries of this Nation, State and local, have had tremendous windfalls in way of enormous surpluses of wartime. The itch of officials to start spending these windfalls, willy-nilly, is disturbingly evident in many quarters.

Here are some California figures: Post-War Employment Reserve, established at 1945 legislative session, $141,998,114; Post-War Unemployment and Construction Fund, set up this year, $90,000,000; Total General Fund Reserve, $231,998,114.

There is also 100 million dollars in the Unemployed Insurance Fund.

Thus the state is in excellent condition to weather the stresses of reconversion — provided prudence and foresight are exercised.

Yet, various local interests throughout the state are urging that the entire 90 millions of the post-war Unemployment and Construction Fund be appropriated for immediate spending as soon as the Legislature is called into session again! And hundreds of war workers, when laid off, have frankly passed up ney jobs in the expectancy of enjoying a vacation paid for out of the Unemployment Insurance Fund!

Why this hurry—this rush to spend? There may come a time, withing the next few years—indeed, it is already widely predicted—when a slump will come in industry, and there will be real need of public savings to provide state employment for many of the jobless, temporarily, to prevent hardship.

So why spend lavishly at this time, when many industries are short of manpower for real production, for the creation of new wealth and new jobs. Why deplete public savings on make-work jobs when there are many real-work jobs unfilled? Why inaugurate huge public construction programs when the nation needs millions of new homes to resolve the housing shortage?

Farmers have perhaps more reason than any other major group in America to view such a tendency toward public "windfall spending" with apprehension.

For one thing, if public money that should be saved for a rainy day is frittered away now, then, if a slump does come, there will be no cushion of public savings for unemployment relief. Such a situation always hits the millions of urban industrial workers hardest first. Millions of city jobless means, inevitably, a financial setback to agriculture through a collapse of urban food-buying power.

For another thing, the final tax recourse, when the tax sources of business and commerce shrivel through business depression, is real property. Jobs may vanish, mercantile establishments may fold up—but real property remains: homes, land and farms. Behind all public debt stands, as the final guarantee of solvency, real property.

To be applauded is a word of caution from James S. Dean, state finance director.

"Generally speaking, the public building situation ought to be studied as we go along," he said recently, "to see whether private construction absorbs material and labor, as it seems reasonable to believe it will, in the immediate post-war period. If it does, there is no reason for public construction to step into the picture right away. And we would be penalized, if we did, by paying higher costs than are justified."

There is a sound old adage which might warn every legislator—and the head of every family with War Bonds and other savings—in these days. It is:

"He who buys what he needs not, sells what he needs"!

Between D-Day and V-J Day in Europe, daily deliveries of petroleum products to our armed forces there averaged 8,000,000 gallons, or enough to fill 1,000 tank cars.

CALIFORNIA TO GET FEDERAL ROAD AID

California is scheduled to receive $22,303,236 annually for the next three years for highway improvement from federal highway funds, under provisions of the Federal Aid Highway Act of 1944, according to information received by the California State Automobile Association.

These funds have been made available for the current fiscal year, ending June 30, 1946, through passage by Congress of a concurrent resolution authorizing the Public Roads Administration to enter into contracts with the states for road work. Federal aid road funds are to be matched by the states on a fifty-fifty basis.

Over the three-year period provided by the act, the total of funds allocated to California will amount to approximately $66,909,000.

Under the allocation to California, $9, 018,749 si apportioned annually for the expenditure on the federal aid highway system; $5,162,254 for secondary or feeder roads, which include farm-to-market roads, and $8,122,233 for urban highways.

Catlifornia ranks fifth among the states in the amounts apportioned by the Federal Works Administrator. New York will receive the largest amount with an annual total of $35,892,018; and Texas is second with $28,765,649. Pennsylvania and Illinois each receive slighter larger allocations than California.

NEWARK MAN IS KILLED IN WRECK

George Lewis, 43, of Newark, died last Friday afternoon from head injuries received after an accident Thursday when he was struck by a car on the highway near Decoto.

Richadr L. Maderious, Irvington, driver of the car, was not held.

ORIENT CHAPTER INITIATES TWO NEW MEMBERS

Two new candidates, Charlene Beverly Emerson and Irma Hodges Boland, were initiated into the Orient Chapter of the Eastern Star at initiation ceremonies held at the Masonic Temple in Centerville Wednesday, October 31.

The Orient Chapter will elect new officers for the ensuing year at the meeting to be held next Wednesday, November 14.

CENTERVILLE P.T.A. WHIST PARTY TONIGHT

The annual benefit whist party of the Centerville Elementary School will be given tonight in the school auditorium at 8 o'clock.

The public is invited. Admission price is 40 cents.

'DEAR RUTH' PLAYS AT GEARY THEATER

"Dear Ruth," outstanding stgae comedy hit of the year in New York, presented by Joseph M. Hyman and Bernard Hart, is coming to the Geary Theatre on Monday night, November 19, for a limited engagement. There will be performances every night, including Sunday, with matinees on Wednesday, November 21, Saturday, November 24, and thereafter on Sundays.

Written by Norman Krasna, author of such popular talking pictures as "Princess O'Rourke," "Practically Yours," "Bachelor Mother" and "The Devil and Miss Jones," and directed by the celebrated playwright, Moss Hart, "Dear Ruth" has been running in New York since last December and i snearing its 400th performance. At the time of its premiere Walter Winchell wrote "It will keep audiences laughing for 30 years," while Howard Barnes of the New York Herald-Tribune said: "Chalk up another hit. It is a darling of a play." "Enchantingly funny" was the verdict of the New York Daily News.

Mail order sare now being received and checks should be made out to the Geary Theatre, self-addressed stamped envelope being enclosed to insure return of tickets.

LEGION CHANGES MEETING NIGHTS

Following the regular meeting of the Washington Township Post 195 of the American Legion on October 24, it was announced that the Legion meeting nights have been changed to two nights a month, the second and fourth Wednesdays.

All Legionnaires who are planning to attend the Armistice Day dinner on November 12 are requested to bring a World War II veteran to the dinner as a guest.

Commander C. M. Lyons presided at the meeting.

NOV. 21, 1945

AN IMPORTANT DATE FOR THOUSANDS OF ARMY VETERANS NOW IN CIVILIAN LIFE

Between now and November 21, thousands of Army veterans will reenlist in Uncle Sam's new volunteer peacetime Army. Because — men who have been discharged between May 12 and November 1 of this year and reenlist on or before November 21 will be able to return to the Army with the *same grade* as they held when discharged.

Men with six months of satisfactory service discharged as privates will, on reenlistment before November 21, be given the grade of private first class.

Men now in the Army who apply for discharge after NOVEMBER 1 for the purpose of reenlisting in the Regular Army will also retain their present grades, if they enlist within 20 days after discharge and before FEBRUARY 1, 1946.

"BEST JOB IN THE WORLD"

These special privileges are typical of the new law recently passed by Congress. Few opportunities for a lifetime career offer as many attractive advantages.

Can you think of any other job that would give you good pay, your food, clothing, quarters, free medical and dental care, world-wide travel, 30 days' furlough every year, education and training in any of nearly 200 skills or trades, *and enable you to retire with a life income any time after 20 years' service?*

There isn't any! That's why a job in the Regular Army has been called "The Best Job in the World."

HIGHLIGHTS OF THE NEW ENLISTMENT PROGRAM

1. Enlistments for 1½, 2 or 3 years. (1-year enlistments permitted for men with 6 months' service.)

2. Men reenlisting retain their present grades, if they reenlist within 20 days after discharge and before Feb. 1, 1946. The same applies to men discharged between May 12 and Nov. 1, 1945, who reenlist before Nov. 21, 1945.

3. An increase in the reenlistment bonus to $50 for each year of active service since the bonus was last paid, or since last entry into service.

4. 20% extra pay when overseas.

5. Paid furlough, up to 90 days, depending on length of service, with furlough travel paid to home and return, for men now in the Army who enlist.

6. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.

7. Option to retire at half pay for the rest of your life after 20 years' service — or three-quarters pay after 30 years. (Retirement income in grade of Master or First Sergeant up to $155.25 per month for life.) All previous active federal military service counts toward retirement.

8. Benefits of GI Bill of Rights.

9. Family allowances for the term of enlistment for dependents of men who enlist or reenlist before July 1, 1946.

10. Choice of branch of service and overseas theater in Air, Ground or Service Forces on 3-year enlistments.

PAY PER MONTH— ENLISTED MEN

In Addition to Food, Lodging, Clothes and Medical Care

★

(a)—Plus 20% Increase for Service Overseas. (b)—Plus 50% if Member of Flying Crews, Parachutist, etc. (c) Plus 5% Increase in Pay for Each 3 Years of Service.

	Starting Base Pay Per Month	MONTHLY RETIREMENT INCOME AFTER: 20 Years' Service	30 Years' Service

THE NEWS IN NEWARK

BY LOUISE CHAPMAN

The Newark Bluebird Club will hold its first meeting of the season at the home of Mrs. Val Lotti on November 14. Plans will be made for the 26th annual Christmas party for children of the community. Mrs. Julia Harris, president, will conduct the business session.

Friends of Clarice Niemuth, formerly of Newark, now of Palo Alto, will be glad to hear of her marriage on Sunday, Nov. 4, to M/Sgt. Alonzo Palmer of Oregon.

The bride, daughter of Oscar Niemuth of Newark, wore white satin. Her husband has four battle stars with two oak leaf clusters. He was a prisoner of war for more than three years after being taken prisoner in the Philippines and then transported to Japan.

John E. Foster, formerly of Newark and the brother of Howard Foster of Newark, was discharged from service on November 4th at Camp Shoemaker. He entered the Navy in October of 1943, serving in the Pacific on the famous Saratoga.

Mrs. Emma Souza, wife of "Monk" Souza, owner of the Newark Cafe, is visiting in Redding. She plans to be gone one week, visiting with her mother, relatives, and her many friends.

A teen-age Hallowe'en party was held at the Newark Pavilion on Hallowe'en evening. The hostesses, Norma Jean Sanots, Thelma Santos, Rita Alonzo, Lorraine Simas, Vonnie Caldeira, Bonnie Jean Pool, Yvonne Tremblay, Juanita LeCount, Betty Brown, Stella Carter, Ruth Pierce, each invited their friends.

An enjoyable evening was spent dancing to the recorded music donated by Mrs. Floyd, Mrs. James Dias and Stella Carter.

Miss Gloria Furtado, Helen Cordeniz, Mmes. John Kellerman, Louis Caldeira, Rboert Lloyd, Joseph Faria, Hayden Freitas, Ray Eagles, and Richard Jolly chaperoned during the evening.

Elsie Dolores Chacon will be married to Joseph B. Jasso of Watts on Sunday at St. Edwards Church, with Father McLaughlin officiating.

The marriage of Miss Leona Spies of Alameda and Monford M. Krueger, recently discharged from the Army after 36 months of service, took place at the home of the bride's parents in Oakland last Sunday. The couple will make their home in Newark, where the benedict has recently established a business of his own.

Krueger is the son of Mr. and Mrs. L. W. Krueger of Irvington.

He was attended by his brother, William, S.P. third class, of Camp Shoemaker.

Mr. and Mrs. W. G. Stewart of Phoenix, Ariz., sister and brother-in-law of the bridegroom, were guests.

The Newark Sportsman's Club held its regular meeting Tuesday, Oct. 30. Twenty members will go on the club's annual fishing excursion Sunday morning, Nov. 11. They will leave San Francisco on a chartered boat, then to San Pablo Bay. President George Azevedo and Secretary Joe B. Souza and members are looking forward to a fine fishing trip.

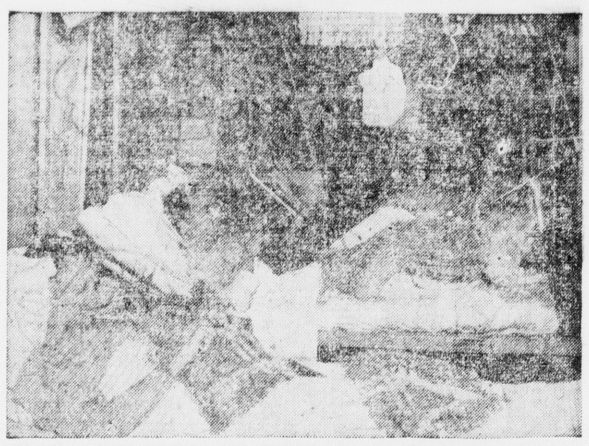
The contest being staged at the Newark Grammar School for the best written report of a current community activity was won this week by Barbara Johnson, who writes of activities in the Newark school:

Last Friday, Newark played against Alvarado in football. Both of our teams lost. The girls played baseball and won.

Miss Spies came to visit the sixth and seventh grades October 18. She talked to us about Australia. She has been in Australia for a year and in New Guinea for a year as a nurse. She has just been discharged from the Army.

Mr. Jack McGregar, former principal of Newark School, came to school last Thursday for a visit. We enjoyed seeing him very much.—Barbara Johnson.

This Is America



WHERE HARD GUYS of the battlefield, men who met the enemy at bayonet point, now spend their time keeping their minds off the horrors of war by weaving so that when ready they can accept training provided by Victory Loan Bond dollars and once again stand on their own economic feet, heads proudly erect and say, "This IS America." (Signal Corps Photo.)

REBEKAH NEWS

A pleasant afternoon was spent last Friday at the Odd Fellows Hall in Niles by members and friends of the Friendly Sewing Circle, the occasion being the annual bazaar.

The cooked food sale was under the direction of Farrell Pugmire. Rose Stearns had charge of the fancy work sale, and the white elephant table was presided over by Anna Bradford. Iva Marble was chairman of the afternoon card party, and Ivy Cull reported that Catherine Plumb of Hayward was the winner of the handmade quilt which was disposed of that afternoon.

The next meeting will be held Monday afternoon, Nov. 12, at the home of Rose Stearns, according to Ivy Cull, president.

At the next regular meeting of the Niles Rebekahs the second nomination of officers for the coming term will be held. The members will drill for the January installations. The social hour will be in charge of Iva Marble, chairman, Dovie Bates, Maude Silers and Alice Leask.

Necona Theta Rho girls club will meet Tuesday evening, Nov. 17, in the guild rooms of the Congregational Church, according to Pat Mohn, president. Audrey Vestal and Barbara Neighbors will be in charge of the social hour following the business session.

ALVARADO REBEKAH LODGE PLANS FOR CHRISTMAS PARTY

A drawing to raise funds for the occupational therapy wing at the Yountville veterans' hospital was held at the meeting of the Alvarado Rebekah lodge last Friday evening. Winner of the award, a beautiful home-baked cake, contributed by Esther Williams, was Elsie Mickelsen.

Plans were discussed for a Christmas party to be held at the next meeting of the lodge on December 7, and Mrs. Mickelsen was named chairman of the committee in charge of arrangements, with Christine Hygelund, Lillie Christensen and Helen Klements of Centerville as her assistants.

FORMER NILES MAN LANDS IN JAIL

The mystery that surrounded Mr. and Mrs. Louis M. Bloss during the short time they lived in the Whitfield place in Mission San Jose and operated their fruit processing business in the building now occupied by the Niles Electric Company in Niles, is about to be unraveled.

Mr. Bloss is now in jail, and Mrs. Bloss is free on $3,000 bail following the return of the couple to Hayward from South Bend, Ind., where Sheriff Hagen had gone with extradition papers to get them.

The grand theft charges were brought against them by Mr. and Mrs. Roy Satcherd, 237 Main St., Hayward, who purchased the Niles fruit processing business from the Bloss' with the understanding that they were also to receive the special so-called "secret" formula for processing the fruit.

The Satcherds claim, however, that the formula was defective, and that Mr. and Mrs. Bloss bilked them out of $7,000.

Charges were filed and bail set at a preliminary examination last Wednesday in Judge Harder's court. Both Mr. and Mrs. Bloss pleaded not guilty and a preliminary hearing was set for November 21.

Niles people looked with suspicion at the couple who left here as suddenly and as mysteriously as they had come. Their purchase of the Whitfield place and its almost immediate resale, their sudden and unexplained trip to New York with the fruit left to spoil in the store windows, their just as sudden and unexplained return, their wage trouble with the women whom they employed to pack fruit before last Christmas, and finally their quick disposal of the fruit business to the Satcherds and their almost overnight flight to San Luis Obispo all lead to the conclusion by the townspeople that all was not exactly as it should be with this couple.

The Stanford Stadium seats 89,000 spectators.

FIRST CHURCH OF CHRIST, SCIENTIST—NILES

LEGAL NOTICE

NOTICE TO BIDDERS

Notice is hereby given that the Board of Trustees of the Niles School District of Alameda County hereby calls for sealed proposals to be delivered to the Clerk of said Board at the office of the District Superintendent in the Niles School Building, Second and School Sts., Niles, California, until November 19, 1945, at 8 p.m., at which time and place said bids will be opened for furnishing a new school bus.

These bids shall be presented in accordance with the general conditions and specifications for the same which are on file with said Board of Trustees at its office hereinabove mentioned.

All bids must be made on proposals obtained from said office of the Board of Trustees, and must be signed by the bidder and accompanied by a check certified without qualification by some responsible bank or banker and made payable to the Niles School District of Alameda County to be retained by said District as agreed and liquidated damages should the party or parties to whom the contract is awarded fail to enter into the contract after the award or to give the bond required for the faithful performance of the contract. The amount of the said check shall be for at least ten per cent (10%) of the total amount of the tendered bid.

The Board reserves the right to reject any and all bids.

By order of the Board of Trustees, October 31, 1945.

JOE D. GOMES,
Clerk of the Board of Trustees of Niles School District, of Alameda County, California.

LEGION MAY HAVE CHRISTMAS PARTY FOR NEW VETERANS

A joint Christmas party of Legionnaires and the Legion Auxiliary, to which World War 11 veterans and their families would be invited, was proposed at the regular meeting of the auxiliary held at the Veterans Memorial Building in Niles on Tuesday evening, Nov. 6.

No definite plans were made, pending action by the Legion at their next meeting.

There were four Tenth District officers present at the Tuesday night meeting Mrs. May Cormack, president of the Tenth District; Effie Marshall, first vice-president and membership chairman; Ethel Daniels, district child welfare chairman; and Florence Parks, district secretary. Each officer gave a short informative talk, discussing the problems of her particular office.

Refreshments were served by a committee composed of Teresa Swartz, Rose Vieux, and Nell Myers. Mrs. Stella Benbow is president.

Barbara Critchfield Bride Tomorrow

Miss Barbara Neel Critchfield, formerly of this community, has chosen the Grand Lake Lutheran Church in Oakland as the setting for her November 10 wedding when she will become the bride of Donald E. Creagmile, U.S.N.R.

The nuptials will be read at eight o'clock in the evening by the Rev. Rushle and a reception will follow at the home of her parents at 2241 Kelly Avenue, Hayward.

The bride-elect, who is a graduate of Washington Union High School, is the daughter of Mr. and Mrs. James Neel Critchfield. Following her graduation from high school, she attended Art School. She has asked her sister, Miss Marilyn Critchfield, to be the maid of honor and the groom's sister, Miss Malfrid Creagmile, and Miss Trudy Morgan of Oakland to act as bridesmaids.

The groom's brother, John Creagmile, will serve as best man.

Donald, son of Mr. and Mrs. Jack C. Creagmile of Walnut Creek, was graduated from the Oakland Technical High School and attended San Jose State before entering the Navy. He has been in the service for the past three years, and is presently stationed at Camp Parks.

After a week's honeymoon up north, the couple plan to make their home in Oakland, until the groom is released from the service. They will then move to Walnut Creek, to make their permanent home.

Another Son For Belshaws

It's another boy for the Arthur Belsaws! The baby, Van David, was born at the San Jose Hospital on November 2. He is Belshaw's second son. Mrs. Belshaw, formerly was a teacher at the Niles school.

Marion Dow Married At Fashionable Wedding

Several hundred guests were present at St. Philip Ner's Catholic Church in Alameda last Saturday evening to witness the fashionable wedding of Miss Marion Emily Dow and James Barstow.

The bride is the daughter of the former Marion VanDervoot of Niles, and is the niece of Mrs. Thomas Murphy of Niles and Mrs. Arthur Belshaw of Centerville, and is the granddaughter of Mrs. Samuel VanDervoort of Niles. Her father, Dr. Edgar Lawrence Dow Niles. zdtaamtly had, at one time, practiced dentistry in Niles.

Preceding Marion and her father down to the altar were a group of sorority sisters and friends. The bridal gown was a full-length model of white satin, with long bodice attached to a full skirt gathered at the front and the neckline was finished in a fine lace edging. Her bouquet was of stephanotis, white orchids and bouvardia.

The bride's attendants were attired in blue taffeta, with bouffant skirts.

The bride's mother wore a deep fuchsia silk crepe gown and wore orchids in her hair.

The wedding reception which followed the church ceremony was held at the home of the bride's parents in Fernside District. The newlyweds left on a honeymoon to be spent at Santa Barbara, after which they will depart for Fresno where they plan to make their home.

The new Mrs. Barstow was graduated from the University of California this year. Delta Gamma is her sorority.

Mr. Barstow, who received his degree from the University of California, was also graduated from Boalt Hall of Law. He has just completed his bar examination.

Parents Honor Twenty-First Birthday

Mr. and Mrs. M. P. Ramos of Warm Springs made their son's twenty-first birthday a memorable occasion last Saturday by giving him a party that he will doubtless remember with pleasure for a long time to come.

The young man, Reuben Ramos, was presented many handsome gifts by his friends who assembled at his home for a buffet supper and dancing. Those who attended the affair included "Scotty" Braun, Joy Silveira, Barbara Ramos, Mr. and Mrs. Ted Silveira, Mr. and Mrs. Clarence Dutra, Mr. and Mrs. Bill Rose, Ben Mozzetti, Bill Pine, Leroy Raymond, Albert Silveira, Evelyn Brown, Dorothy Amaral and Ray Freitas.

Reuben, who has been taking flying lessons, soloed for the first time last week.

Bride and Husband Live in Niles

Katherine Sullivan, daughter of Mrs. Anna Sullivan of Niles, became the bride of Eugene M. McCasey of Detroit, Michigan, at a ceremony performed in Carson City, Nevada, October 20.

Mr. McCasey, who had been in the Coast Guard for six years, just recently received his honorable discharge. He had seen service in the South Pacific.

The bride, who has lived in Niles all her life, attended the local schools, has been employed by a business firm in Hayward. The young couple are presently living in Niles.

Stanley King Eight Years Old

Little Sanley King of Niles celebrated his eighth birthday last Saturday afternoon by having a party for twenty of his friends and relatives. After an afternoon of pinning the tail on the donkey and other traditional party games, the children gathered around the dining table on which Mrs. King had placed a beautiful big birthday cake, with ice cream and other refreshments. Those present were Gary Lee King, Darlene King, Judy and Barbara Fontes, Elaine Souza, Stanley Garcia, Jackie and Leonard Valles, Dennis McKenzie, Clifford Dias, Billy Batman, Leonard Enos, David and Paul Turner, Anna Mae Grimmer, Barbara and Billy Frick, Elaine Ferreira, Lorraine and Mary Ann Duarte and Ronald Valles.

Birthday Party for One-Year Old

A birthday party was given for little Linda Carole Costa in honor of her first birthday at the home of her grandparents, Mr. and Mrs. J. A. Costa of Warm Springs.

Decorating the center of the table was Linda's large birthday cake, adorned with sweet peas, a tiny baby doll and her first candle.

The guests included close relatives.

Linda's father, CM 3/c Joseph Costa, is expected home some time next month. He has been stationed on one of the New Hebrides Islands. He has never seen his little daughter.

Linda and her mother, Elinor, have been making their home with Linda's grandmother, Mrs. Delphine Dunbar.

Irvington Employees Have New Positions

Maxine Mau, who was supervisor of the mail and file department at the Irvington Naval Materiel Redistribution Center, has accepted a position with the Naval Redistribution Center in Alameda, following cessation of operations at the Irvington plant.

Two other employees of the Irvington plant, the Misses Evelyn Bettencourt and Mona Burtch, have been transferred to Stockton, where they will start work on Monday.

DOINGS IN DECOTO

By LEONTINE COSTA

Mr. and Mrs. Joe Valenzuela opened their new Mexican and Spanish restaurant in Decoto Monday evening, Nov. 5. It is called Loma Linda and is in a beautiful building. The inside is colonial with beam ceilings and the outside is Spanish.

Nick Carabajal is the chef. He has cooked in Los Angeles at El Chola and at Don Frios in Phoenix. The Mexican and Spanish dinners are the talk of the town. A lounge is also featured.

Mr. and Mrs. Armand Brunel and daughter of Oakland were visitors of the Frank Rebells on Sunday. Mrs. Brunel is the former Isobel Thomas of Decoto. While in town they also visited the James Fishers.

Miss Frances Colley sister to Mrs. Jeanette Schaff, is the new teacher taking care of the overflow of the fifth and sixth grades. She taught at the Decoto school a few years back.

Lt .Commander Lewis W. Musick is on the high seas on his way back home from Okinawa. He is expected to be in by the end of the week. He will have temporary duty in San Francisco.

A new boiler was installed at the Decoto school last week.

Sgt. Lester Medrios is at Manilla waiting for transportation back to the states.

Pvt. Joe Ferrio is home for a furlough after being in Italy for several months.

Sgt. Joseph Janerio has moved from Hersfeldt, Germany, to France, and may be back in the States for Christmas.

Mrs. Joseph Martin has received a notice from her husband stating he is on his way home from Saipan. He has also been promoted to Staff Sergeant. He is a brother to Leontine Costa.

Several Decoto people attended the steel mill dance at Newark Pavilion Saturday evening.

Mr. and Mrs. Dave Janerio and family took Mildred and Laverne Rose from Niles to Fleishacker Zoo and the Cliff House over at San Francisco on Sunday.

Lt. Vernon Vargas is home for a visit with his mother, Mrs. Angie Vargas.

Sgt. John Navas is on his way home. His wife, Cecelia, received a phone call from him early this week.

Mrs. Elsa Walker is taking a few days vacation with her sister, Mrs. Willard Walker of Salinas. Pearl Castro is substituting at the library.

The Joe Garcia family moved into their new home on Ninth Street last Sunday. It isn't quite complete but they sold their former home to Mr. and Mrs. Segund Dias of Alvarado and had to give immediate possession.

Fred Costa entertained several high school boys at a weenie roast in his back yard on Halloween. Several parties were held at the grammar school on Hallowe'en. It was very quiet around town.

Diane and Paul Michael Feccitti of Lafayette spent the weekend with their aunt, Mrs. Manuel White.

Carolyn Musick celebrated her sixth birthday November 6. Her mother made her a lovely cake and served ice cream to her and her guest, Jimmie Costa, while her little sister, Barbara, looked on wondering what all the excitement was about.

Mr. and Mrs. Santo Romero are building a new home on the former John Brown property at Sixth Street.

Two adobe homes are being built here. One is being erected on Second Street and another on Ninth. Bricks are being made on the property.

A new daughter arrived at the Julius Inman home Sunday morning, November 4. Her name is Shirley. Both mother and daughter are doing nicely.

The Decoto firmen are planning a dance to be given some time in December.

S/2c Earle Mederios is on the U.S.S. Hyde carrying troops from Japan to China. The ship landed Marines at Tsing Tao, in China.

By ELSA WALKER

The Decoto Discussion Group held its November meeting Thursday, the 1st, with Mrs. Ethel Avilla as hostess. A delicious two-course luncheon was served at noon to a large attendance of members. The tables were most attractive, with centerpieces consisting of figurines on mirrors and surrounded by blooms of tuberous begonia in coral pink. These figurines were sent to Mrs. Avilla by her brother in the service from a bombed home in Grmany. They are draped female figures about 10 inches tall of an opalescent blue-gray and of most exquisite design.

The book selected by the leader, Mrs. Della Parks, was the 1944 Book-of-the-month, "Crazy Weather," by Charles McNichols. The topics selected for discussion provoked a most vivacious interchange of ideas covering all phases of the book. This was the first meeting in charge of Mrs. Parks since she joined the group and proved to be most interesting. A sketch of the author's life also added to the occasion.

The next meeting will be in charge of Mrs. Florence Wallace, who has chosen the former book-of-the- month. "Apartment in Athens " by Glenuay Wescott, as an example of superior literary style and subtle interpretation of Nazi mentality. Mrs. Evelyn Joseph will be hostess.

Miss Linda Cunha and Mrs. Frances Avilla were guests.

Miss Marie Bruguiere and Mrs. Alderson were present from the Oakland office.

The Decoto Pinochle Club met Saturday evening, November 3, at the home of Mr. and Mrs. Edward Mara of Canyon Heights. Everyone was present and everyone had a good time, as the cards developed their usual spectacular combinations with hilarious results. Mrs. Harold Wallace took first prize, Mrs. Mae Watkins second, with Mrs. Amy Brown well pleased with third place. The refreshments consisted of a very enticing salad plate with dainty sandwiches and coffee.

The next meeting will be at the home of Mr. and Mrs. Charles Brown, December 1.

HUNTING AND FISHING

Current hunting and fishing conditions

Del Monte County—Nice catches of trout were made last week in the Smith River and its tributaries. Steelhead fishing was also good.

Humboldt County— Pheasants are more plentiful than for the past few years.

Siskiyou County—Duck hunting is better than it was on opening in Shasta Valley. There has been a good run of steelhead on recently.

Shasta County—Duck shooting has slowed down in Big Valley and hunters are awaiting the next flight of ducks. The fall run of salmon in the Sacramento River was near its height last week.

Lassen County—Duck hunting has been poor in Honey Lake. The pheasant season is expected to be fair and the quail season prospects are excellent.

Butte County—Poor duck shooting is anticipated unless the present storm brings more birds.

Colusa County—Ducks are reported numerous and, if rain continues, prospects are good for the opening of the season.

Mendocino County—Reports a fine outlook for quail season.

Sonoma County—A good number of ducks are reported in the marshes of this area. Pheasants and quail are scarce.

Marin County—Plenty of ducks are reported in Bolinas Bay, but there are only a few in the costal bays around Point Reyes and the Marin shore along San Pablo Bay.

Napa County—Duck hunting on the lower Napa River was fair on the opening day.

Sacramento County reports many pheasants showing up.

San Joaquin County—Ducks are scarce. Duck hunting in the Delta is not expected to be good this year.

Santa Clara County—Ducks are fairly plentiful. Thousands of sprig are here.

San Benito County—Ducks are scarce in this area. Quail are plentiful in spots.

Mariposa and Merced Counties —Valley quail have left the water holes and moved to the brushy hillsides. Airplanes report great numbers of ducks in this area.

Fresno County—Ducks are plentiful. Prospects for quail shooting are good, and there is also a good number of pheasant.

Kern and Tulare Counties — Though ducks are reported scarce in this area, prospects for the opening of the quail season, with fine bunches of birds of both mountain and valley varieties are good. The birds are numerous in the South Ford, Kernville, Weldon, Onyx, Walker Basin, and Kelso districts. There are lots of ducks reported on the clubs in the Wasco district.

BIG CARD PARTY NEXT FRIDAY

The big annual card party of the Irvington P.T.A. will be held next Friday, November 16, in the school auditorium, starting at 8 p.m.

Three different card games—whist, bridge and pedro—will be played, with many fine and worthwhile prizes being offered.

18 NEW DRESSES AT RUMMAGE SALE

The Newark Women's Improvement Club announced this week that it is holding a rummage sale on November 14, 15 and 16, at the J. D. Silva building on Thornton Ave., Newark. Proceeds of the affair will go to the newly-organized Girl Scout Troop.

The grapevine has it that there will be on sale 18 new children's dresses, so the success of the affair is already assured.

Arthur Clay Married To Spokane Girl

It was a Hallowe'en night wedding for Arthur Clay, son of Mr. and Mrs. W. R. Clay of Niles, and Lois McCormick of Spokane, Washington. The couple were united in Carson City, Nevada, and have returned to Niles to make their temporary home with the bridegroom's parents.

Mr. Clay, formerly of Newark, entered the Army in March of 1943. He was recently discharged at Fort George Wright, Washington, Hospital, where he had been convalescing since May. He saw action in the China-Burma theatres, flying 65 missions with the B-25 bomber "Dolores." He possesses the Air Medal with two Oak Leaf Clusters, three battle stars, Asiatic ribbon, and good conduct medal.

Recuperating

Mrs. Anna Syring of Irvington is recuperating following a bad fall last week which sent her to bed with a sprained ankle. She is now able to be up and around with the aid of crutches.

LOCALITES ATTEND CAFETERIA MEET

Those in the township who are interested in school cafeterias came home from the cafeteria institute that was held in Hayward November 3, full of enthusiasm and renewed vigor for the parts they play in keeping the different school cafeterias operating.

The Alameda County Cafeteria Institute is sponsored by the office of the Alameda County Superintendent of Schools. Fine demonstrations and talks were given by outstanding nutritionists and home economists.

Miss Irene Hansen, representative of the National Livestock and Meat Board in Chicago, spoke about the value of meat in the diet of a child. She emphasized the importance of serving liver frequently.

Miss Mary Wickson, nutritionist with the San Francisco Health Department, told of the importance of shopping for fresh, green vegetables.

Miss Josephine Morris spoke of the box-lunch, and what it should contain. Mrs. Maryetta Holman was also one of the speakers.

Those from here who attended included Mrs. Catherine Parry, Niles cafeteria manager; Mr. Gus Robertson and Mrs. Bessie Olaci from Irvington; and Mrs. Nora Rogers and Mrs. Eleanor Lewis from Centerville.

Wave Receives Discharge

Billie J. Allen, storekeeper, second class with the WAVES, has received her honorable discharge at the Personnel Separation Unit, Balboa Park, San Francisco. Her home is in Niles.

FARM NEWS

(Continued from page 1)

themselves, but agriculture as a whole and their country's economy.

EXPANSION IN FROZEN FOOD LOCKER PLANTS

More frozen food locker plants were opened in the 12 months ending June 30, 1945, than in any previous year, and California was one of the leading states. This state accounted for 299 of the 6,464 new plants opened during the year. In 1940, only 2,870 frozen food locker plants were listed. Continued growth appears to be due to the needs for this service by owners of family-size farms who are growing much of their own food at home.

Plants that had refrigerating equipment were centers of locker expansion while new equipment was scarce. When the end of the war eases the equipment situation, further expansion of locker service is expected in many states that now have only a few locker plants.

When in full operation, the powerhouse at Shasta Dam will produce 1,500,000,000 kilowatt-hours of electircal energy annually.

Centerville School News

By Lorraine Gomes

VISITOR

Mrs. Gywn Tebaut from the Latham Foundation will pay us a visit on Monday, November 12. She will tell us about the poster and essay contest.

TURKEY LUNCHEON

On Thursday, November 13, the P.T.A. will give a turkey dinner for the students of the Centerville Elementary School. The price is thirteen cents.

The following members are to prepare the turkey dinner: Mmes. Rose Freitas, Geo. Roderick, Herman Lambrecht, A. E. Rogers, Henry Dias, George Rogers, Dan Ameral, John Brown and Dallas Paul.

HEARING TEST

Mr. Ed Benton will come to our school on November 14, to test the hearing of the students who were not here when he came on October 15.

On Friday, November 16, there will be immunization for diphtheria and vaccination for smallpox. It will be free of charge. Anyone who has children from six months up are welcome to come.

Roeding's Quality
TREE ROSES
impart the crowning touch

SURPRISING... how only a few of these majestic beauties can give the whole garden an immense lift. Because they are older than ordinary tree roses they will give you many more fine large blooms. Dug last winter, carefully tended all summer, they are ready to plant now for *earlier* spring bloom.

An unusually complete selection...

Bright Wings, *burnt orange;* **California,** *saffron yellow;* **Christopher Stone,** *red;* **Et. de Hollande,** *red;* **Fred Edmunds,** *apricot;* **Grand Duchess Charlotte,** *tomato red;* **Heart's Desire,** *red;* **Hinrich Gaede,** *rosy copper;* **Lady Forteviot,** *reddish-gold;* **Mme. Chiang Kaishek,** *pale yellow;* **Mme. Henri Guillot,** *raspberry pink;* **Mark Sullivan,** *flame;* **Mrs. Sam McGredy,** *coppery-pink;* **Picture,** *pink;* **Snowbird,** *white;* **Talisman,** *flame.*

TREE ROSES, 3½-years old, with strong, straight trunks, beautiful "heads"... in 5-gal. containers $6 ea.

PRE-VIEW the "PEACE" Rose in your own garden
Most important new rose in years! Glorious 5-inch blooms, alabaster white, pink edged. Choice but small supply, sturdy "Peace" Bush Roses, 5-gal. containers, **$3.50 each.**

EVERY DAY the cost of war continues in the two-way flow of ships—in-bound and out-bound under the Golden Gate Bridge. Men and women coming home to civilian life. Men and women transferred back to rehabilitation centers and hospitals. Men and women and supplies sailing out to far-distant occupation areas. The fighting war is over. Now we must help pay the bill through this final drive, the eleven billion dollar Victory Loan.

We owe these specific debts which we should be glad to pay, through the Victory Loan . . .

1. Care of the Wounded. This is a debt we can never fully repay. With Victory Bonds you lend your money to help pay for this work.

2. Bringing Men Home. It costs as much to bring men home as it did to send them over. This job has just started.

3. Rehabilitation of Veterans. In addition to mustering out pay, the guarantees of the G. I. Bill of Rights must be met for education, loans and other aids.

4. Payment for War Material. Huge sums are needed to pay for materials of war produced and used in action months ago.

Put away every extra dollar you can in Victory Bonds. Hold them for such future uses as owning your home, educating the children, for starting a business or as a savings fund for emergencies. For the last time—buy bonds—extra bonds every week of the Victory Drive.
